Press

500+ Emerson
Colleagues &
Family
140 joined the
Factory Tour

100 Exhibitors & Partners

150+ Emerson volunteers & exhibitors

„This is the biggest success for me – I just finished a meeting and saw that my son isn't sitting in front of Fortnite, but instead pulled out the Mindstorms kit that's been gathering dust for two years. He's trying to finish the task he started on the event. Thank you for reigniting the engineer in him. I hope many other kids ended the day with a similar experience and renewed curiosity.” Emerson Employee
